## Notable

**Elizabeth Bennett White** of Norfolk was named to the Dean's List for the spring 2010 semester at Washington University in St. Louis.

White is a graduate of Newton Country Day Sacred Heart High School in Newton, Mass., and is enrolled in the university's College of Arts & Sciences.

To qualify for the Dean's List in the College of Arts & Sciences, students must earn a semester grade point average of 3.5 or above and be enrolled in at least 14 graded units.

**Gregory Cassoli** of Norfolk has been named to the Dean's List for the 2010 spring semester in the Villanova School of Business (Villanova, Pa.).

Cassoli is a senior.

Every year, students with established outstanding academic records are honored by the dean of each college. To qualify for the Dean's List in the Villanova School of Business, one must be a matriculated full-time student and earn a semester grade point average of 3.5, with no missing or non-passing grades.

**Natalie A. Reale** of Norfolk, a member of the Class of 2013, and was named to Dean's List at Marist College in Poughkeepsie, New York for the Spring 2010 semester.

The Gazebo Players of Medfield will be back again this summer for their 9th annual Shakespeare in the Park production. This year's show is *Love's Labour's Lost*, a romantic farce set in the Navarre region of Spain. As soon as the King of Navarre and his courtiers make a very public vow promising to have no contact with women for three years to devote themselves to their studies, the Princess of France and her ladies-in-waiting arrive on a state visit. The men are smitten, and immediately start looking for increasingly comical ways to get out of their vows without losing face.

Norfolk resident **Marielle Boudreau** is making her Gazebo Players and Shakespeare debut, playing the role of Holofernes in the production. Holofernes is the school mistress, responsible for the education of the King and his courtiers during the three years of their vows.

Marielle, still a high school student herself, nevertheless finds similarities between herself and her character. Marielle says, "I think that Holofernes is sort of a caricature of my personality, which makes her interesting--she uses overly elevated syntax and long, fancy words, as well as sometimes switching to Latin. I can't say I've never done any of those things, so it's certainly funny to see myself laughing at a different version of my own oddities."

Performances of *Love's Labour's Lost* start at 5 p.m. and are free to the public. Performances at the Gazebo in Medfield will be given on July 31 and August 1. Performances at Walpole Footlighters in Walpole (5 Scout Road) will be given on August 7 and 8. In case of rain, the Medfield performances will be at the Montrose School (29 North Street). Attendees are encouraged to bring a picnic. Light refreshments will be available.
